A
TO OFFICIAL STATE AGENCIES:

Subject: Correction in Supplement to A.H.D. 36

Your attention is called to two errors in the mimeographed supplement to A.H.D. 36, issued April 1943. The last listing on page 2 and those at the top of page 3 were for Indiana hatcheries rather than for Georgia hatcheries as shown.

On page 6, we show that Saline Valley Farms, Inc., Saline, Michigan, has discontinued participation. This is in error, as the hatchery that discontinued participation was Saline Hatchery, Saline, Michigan. Also, Saline Valley Farms, Inc., (3), CPDd, 39,000, should have been included in A.H.D. No. 62, National Poultry Improvement Plan Hatcheries Producing for Sale U. S. Certified Hatching Eggs and Chicks, issued March 15, 1943.

We are very sorry that these errors occurred and ask you to correct your copy of the publication referred to.

Very truly yours,

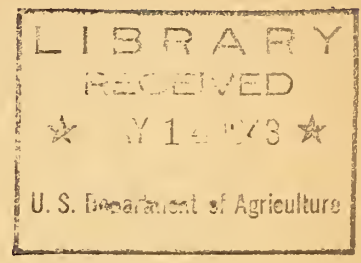

Paul B. Zumbro, Senior Poultry Coordinator
In Charge, National Poultry Improvement Plan
